

YSHIELD® GCL | Grounding set

Grounding set for magnetic shielding film MCL61.

Grounding set for the use with our magnetic shielding film MCL61. The MCL61 surface is electrically insulated. Whilst screwing down the cable lug, the chopper disks will perforate the polyester film and arrange electrical contact thereby.

- **Scope of delivery:** 10 x screw, 10 x dowel, 10 x chopper disk, 10 x cable lug for 1.5-2.5 mm²
